

Avon Grove Indoor Showcase 2016 Program Book Advertisements

ATTN: All Music Department Students

What is the Indoor Showcase?

The AGHS Indoor Showcase is a full-day Tournament Indoor Association scholastic and independent ensemble competition AND a fundraiser for the Music Department. Throughout the Showcase, being held on March 12, 2016, there will be over 40 Performing Ensembles, which means at least 2,000 people including performers, their directors, coaches and families from the Southeastern PA Region will be at the Avon Grove High School!

What is the Program Book for?

The Program Book serves two purposes. For Spectators who attend the Indoor Showcase, it provides information and serves as a tangible memento of the exciting day. When Advertisers purchase advertisements and Well Wishers send a little love to their Showcase performers by buying a "Music Note", those ad sales help cover the cost of us hosting the Indoor Showcase so that the event is a successful fundraiser for the Music Department Programs.

How You Can Help

- **Sell Ads:** Use the attached Program Book Advertising form to sell ads to be included in this year's Showcase Program Book. Make as many copies as you need; it will also be available for download from the AG Music Boosters website (<http://aghsmusic.weebly.com/>).
- **Earn Money:** As an incentive, a percentage of each of your sales will go toward your specific Music Program (choir, orchestra, band) or to help offset Wildwood costs (for Indoor Color Guard, Percussion and Jazz Band students). So, be sure your name is on the form to help your group earn this credit!

Sales Deadline is Tuesday, February 16, 2016

- **Don't Wait - turn in all completed forms with payment as you complete them.** (Doing so lets us start laying out / compiling the Program Book in plenty of time for it to be printed.)
