

Avon Grove Percussion's 12 Hour Drum-A-Thon!

What:

The purpose of the 12-Hour Drum-A-Thon is to raise funds to purchase new equipment that will directly benefit the percussion students while also building the skills needed for the upcoming indoor percussion season. Money raised will go directly towards front ensemble instruments, marching percussion instruments, concert percussion instruments, drum head replacement, percussion accessories, hardware, and much more.

When:

Saturday February 6th

8:00AM – 8:00PM

At Avon Grove High School Band Room & Facilities

Details:

The entire 12-hour day will consist of drumline and front ensemble rehearsals, sectionals, clinics, “chop-outs” to build endurance, full percussion rehearsals, food, and fun! You will be drumming all day and building musicianship skills for a good cause! We will also be doing “band community service” by cleaning instruments and fixing broken music stands during lunch and dinner breaks. This will be a long day and you will accomplish a great deal!

Attached is a sheet for you to keep track of the money you raise for the percussion section. You are looking for individuals to pledge money for each hour of the event or to provide a flat pledge amount for the day. Please have all checks payable to “AGIMBA”. All percussionists are highly encouraged to attend the event.

Your percussion staff will be present throughout the event. Please pack a lunch, bring your sticks and mallets, music, sneakers, ear plugs, and come ready to DRUM! Pizza will be provided for dinner. Please contact Sean Rode or with questions regarding the event.
